

EXPOVENDING & OCS L a t i n A m e r i c a

EXPOVENDING & OCS is the largest Vending Machine event in Latin America. Its seventh edition will take place in August (5th and 6th) in São Paulo, Brazil.

The event is organized by **ABVA** (Brazilian Vending Machine Association) and the show organizer company **EPS - Event Planning Solutions** and it has also the support of EVA, NAMA among other associations.

The Latin America vending industry is getting bigger every year, in Brazil more than 50000 machines generates every year US\$ 150 million in profit with a enormous growth potential.

EXPOVENDING & OCS congregates more than 500 key people in a two day event: directors, manufacturers, operators and the most important vending machine companies interested in commerce, vending business opportunities and new technologies. Presenting lectures about the industry market, tributary deals and business opportunities.

Up to 30 exhibitors are expected this year representing more than 70 brands/products. The event is the opportunity to discuss and exchange on the latest vending trends and business techniques.

EXPOVENDING&OCS is the gateway to Latin America !!!
